Experience

Carnegie Mellon University | Intro to Web TA
Fall 2017 Semester - Pittsburgh, PA

TA'd for the School of Design under Andrew Twigg,
for an introductory web design course covering
HTML, CSS, JQuery, and responsive web practices.
My role was mainly answering student questions and
critiquing student designs.

Carnegie Mellon University | Desk Services Assistant
Fall 2016 through current - Pittsburgh, PA

Worked for three semesters as a DSA for CMU's
Housing Services, where I learned important
customer service practices, and how to interact
a large variety of students. Main duties included
ensuring dorm security and generally being a
resource for freshman.

Freelance Web Designer
2016 through current - Digital

Took client requests for custom and exclusive blog
layouts and pages, both designing these themes and
writing the code from scratch after clients filled out a
form and sometimes submitted wireframes.

Carnegie Mellon University | Pre-College Counselor
Summer of 2016 - Pittsburgh, PA

Responsible for the safety and mentorship of forty-
five high schoolers as they studied at the university
for the summer, as well as serving on the community
standards committee for the program.
